

Institutional Distinctiveness

Shree Maharani Tarabai Government college of Education, Kolhapur is the pioneer educational institution imparting Teacher Education in Southern Maharashtra. Since 1934. This college is permanently affiliated to the Shivaji University, Kolhapur and recognized by the NCTE, Bhopal. Fundamentally our Teacher Education institute is established to achieve excellence in Teaching, Research and Extension. Shree Maharani Tarabai Government college of Education, Kolhapur has taken a decision to organize one Day International Conference on Skill Development and Higher Education. The purpose is to study policies and Perspectives. It was planned by Principal Dr. R. U. Deshpande during his tenure. As according to NCTE Directions, 2014 and the Curriculum Framework Provided for two programme. The expected outcome of these are deliberately discussed here with fruitful solution. The existing teacher education institutions shall continue to function as standalone institutions and gradually move towards becoming composite institutions in the contemporary competitive environment of teacher education. The integration of composite courses in teacher Education pens another dimension to course components. The Sub themes of the International Conference

- 1) Role of ICT for soft skill development .
- 2) Online education and skill development.
- 3) Communication and innovative organization skill in TEP.
- 4) Skill development in 21st century.
- 5) Skill development and Inclusive education.
- 6) Challenges and opportunities for skill development in higher education
